# Dear FRIENDS

It is with great pleasure that we welcome you to our first Hereford Female Sale with Barber Ranch. GKB Cattle and the Barber Family have worked together diligently to create an offering that we are both proud of. We have enjoyed our friendship and partnership with Barbers over the past years and are excited to have the opportunity to team together and offer these Hereford females to the public.

The foundation of our herd is built upon more than 15 years of proven cow families. We strive to further these genetics with functionality, soundness, and maternal strengths being at the forefront for every breeding decision. We are very proud of the females that make up this offering, as the quality runs deep.

Our program is geared towards producing cattle that are profitable for the entire industry. We have an extensive ET and AI program that gives us the ability to be very selective with our matings, enabling us to continue to produce superior genetics. We also utilize individual performance records, ultrasound, and genetic testing on our cattle to ensure that what we offer is something we can stand behind. We put a large emphasis on producing females with exceptional EPDs.

Come early and view what we have to offer your program. Videos of the females will be available at [liveauctions.tv](http://liveauctions.tv). We truly believe that the individuals in this offering have a ton of potential to be a true impact and influence within the beef industry. Your success is our success! We want to also thank all of our customers for their continued support, as we wouldn't be able to do this without them. We can't wait to see you in Desdemona!

*Gary & Kathy Buchholz*

# Dear FRIENDS

It is with great excitement that we have teamed up with our dear friends, Gary & Kathy Buchholz of GKB Cattle to bring you an exceptional set of females. We anxiously await for you to view this set of females that have come from both operations.

At Barber Ranch, we truly believe it is the female that makes a program work. We try to put as much emphasis on maternal traits and great females as anything. We have a track record of producing females that both win in the show ring and then excel in the donor pasture. One thing that will immediately jump out to you when looking throughout the sale offering is the amount of BR prefixes throughout their entire pedigrees - especially on the bottom side. We are confident that there are many females in the following pages that will go on to be a positive influence for their future owners.

Videos and all sale information will be online prior to the sale at [www.barberranch.com](http://www.barberranch.com). Please feel free to call or reach out to anyone associated with the sale with any questions. We encourage everyone to attend the sale and bid in person, but for those unable to attend, we will have LiveAuctions.tv available for online bidding or you may contact someone from the sale day contacts or sale staff to bid over the phone.

Thank you for your interest, and we look forward to seeing you in Desdemona at the GKB Cattle Sale Headquarters in Desdemona, Texas on Friday, December 8 and Saturday, December 9!

*The Barber Family*

- We kick off the Inaugural GKB and Barber Female Event with a truly unique individual that is destined to be an incredible donor. We absolutely love this elegantly designed female that combines performance, phenotype, carcass merit and maternal strength that is hard to replicate in the Hereford breed. She is a dark red, ring-eyed female that is long spined and sound structured with exquisite eye-appeal.
- L106 is a known daughter of the \$290,000 record selling C GKB Guardian 1015 ET and out of the legendary C 88X Notice Me 1311 ET donor female. Her dam, 1311 is a full sister to the \$600,000 C Miles Mckee 2103 ET and C Stockman 2059 ET and is the dam of the \$165,000 bull, C Arlo 2135 ET, Double Your Miles and Special Edition as well as C 1311 Genesis Gal 2138 ET, who commanded \$195,000 in the 2022 Colyer Female Sale.
- Ranks in the top 2% REA, top 3% MARB and CHB, top 4% BII, top 5% BMI, top 6% UDDR, top 10% TEAT and SCF.
- Sells Open.

 DAM OF LOT 2

- This stunning daughter of the record selling C GKB Guardian 1015 ET is impressive in her body type and design with exceptional eye appeal and stoutness. L102 is dark red in color, red-eyed and combines moderate birth and calving ease with growth, maternal, and carcass merit at the highest level and is one of the top donor prospects to sell.
- When you combine L102's phenotype, pedigree and numerical profile, she easily rises to the top and will be an investment opportunity and a cornerstone breeding piece for years to come for her new owner. This is one you definitely don't want to miss out on.
- Ranks in the top 1% BII, top 2% CHB and BMI, top 3% MARB, SC, and SCF, top 6% UDDR, top 7% CW and REA, top 10% YW and TEAT.
- Sells Open.

- Her dam, BR Belle 4082 ET, is a beautiful uddered female that is making her mark on the Hereford Breed. She is the mother of the 2017 and 2019 National Western Supreme Champion Hereford, BR Belle Air 6011. She is also the dam of the 2022 Cattlemen's Congress Grand Champion Horned Bull, BR ER Big Country 007 ET, as well as BR Compton E040 and BR 124Y Travis E132 and several top producing daughters.

- This beautiful February daughter sired by T/R GKB AC Red Kingdom J16 is a top show heifer and donor prospect that is bred in the purple. Her dam is a tremendous Cash Flow daughter out of the legendary "Harley" LCC Two Timin 438 ET, who was a former National Champion and went on to produce numerous high sellers and champions.
- 3030 is long hiped, soft middled, with exceptional bone structure and is soft at the ground with a near perfect hind leg. She is eye-catching from the side, soft haired, extended in her front one-third and will be tough to beat on the tanbark. If you are in the market for a highly competitive February polled show heifer that will be a tremendous donor after her show career, then you need to check out this female.
- This female excels at milk and growth with ranks in the top 3% for MM and MG, top 10% for WW and YW.
- **Sells Open.**

- Show heifer buyers need to pay attention here! This Red Kingdom daughter has all the extras that it takes to compete at the national level. Big bodied, long hipped and level down her top with exceptional balance and shape. She is elegant in her front one-third with excellent structure and very fluid in her movement.
- Her dam JCS BH 124Y Precious Gem was shown successfully by Eric Rosson and is a maternal sister to JCS Royal Blend that also traces back to the JCS Miss Royalty 4720 cow who was the dam of JCS Icon 7060.
- When you study both sides of her pedigree, it is full of excellent proven cow families with a winning track record of producing champions and income producers in the pasture.

- This February Polled ET daughter out of the Diana 4064B donor, who was a 2X Denver Champion herself, stems from the “Harley” family that is three generations deep in National Champions and prolific donors. 4064 has been a top producer for years raising countless champions that excel in the pasture as well. She is sired by the ever increasingly popular Red Kingdom that is doing an excellent job of siring excellent phenotype.
- Stunning on the profile with a little extra color that is sure to catch the judge’s eye, she has all the right parts and pieces to be at the top of many astute cattlemen’s lists.
- Full sister sells as Lot 6.
- **Sells Open.**

- This gorgeous Red Kingdom daughter out of the Diana 4064B donor was featured early on in the sale promotion and for good reason. We flat out love this female and can't wait to see what the future has in store for her. She has the look and build of a big-time show heifer and future donor. Built correct from the ground up and overflowing with quality and style with near perfect markings. L114 has excellent depth from her flank to her forerib with extra shape from behind. She is long and level in her hip design, smooth shouldered and angular with a long, clean neck that comes up out of her shoulders to give her that extra presence that is in high demand.
- When you study her pedigree that is stacked with National Champions and high-income producing donors, you can't help but get excited about this young female and watching her carry on the Diana bloodline and tradition of champions.
- Full sister sells as Lot 5.
- Sells Open.

BR ALAINA 7146

• Exquisitely designed March polled Marksman show heifer prospect that is blessed with big feet and legs that glide around the pen carrying her extra mass and shape. 3215 has the extra extension and femininity through her front one-third that will make heads turn as she walks by.

• She excels in maternal traits and fertility with added marbling and is backed by a beautiful 5-year-old female from the Barber Ranch. High quality show prospect and donor prospect.

• Ranks in the top 1% for BMI and SCF, top 2% for BII and top 3% for TEAT.

• **Sells Open.**

LOT 3 GKB 1015 MONROE L127 ET

**MCKY MONROE 8688 ET**  
DAM OF LOTS 9-11

• L127's donor dam, Monroe 8688, is a tremendous young female that was campaigned successfully on the show road, winning Grand Champion at the 2020 National Western Junior Show and Grand Champion at the 2020 Fort Worth Hereford Show for GKB and Denver McKay. Her mother, JCS Tator Tot was also a National Champion Female. These three full sisters are also maternal sisters to the popular Spring Calf Division Champion at Cattlemen's Congress, National Western and Fort Worth, GKB Conair K102 ET that sold in the Spring Bull Sale and is owned with Copeland and Son Herefords and White Rock Herefords.

• L127 is the first of three ET sisters out of the young donor MCKY Monroe 8688 ET sired by the record setting C GKB Guardian 1015 ET. She is a March horned female that is dark red, pigmented with unique marking, and attractive. This truly unique breeding piece combines phenotype, performance and carcass that will only raise her value as a future donor prospect in the future.

• Ranks in the top 1% for WW and YW, top 2% for CW, top 3% for MG and CHB, top 5% REA and top 10% for MARB.

• Full sisters sell as Lots 10 and 11.

• Sells Open.

**CSF 18U OLIVIA 2102**  
FULL SISTER TO DAM OF LOT 24

• 2694 is an elegantly designed November Horned female that you have to appreciate her femininity combined with her hip and superior phenotype. She is sired by BR GKB Sensation G015 ET who is a 2296 out of the infamous Anastasia 3023 and a full sister to the 2022 Polled Show Female of the Year, BR Merida H031 ET. Her dam, 7115, was the feature fall pair in the Iron Lake Dispersal and is a full sister to Olivia 2102 and comes from the legendary Gabrielle 5082 family.

• When you study the build of this young female and you combine that with her outstanding pedigree that is loaded with influential cow families, you cannot help but imagine the income producing potential this young female holds in the future.

• Will be exposed to CRR 41E Hoss 016 before the sale, check supplement for update

• Check out this excellent Halsey 9099 daughter sired by the Sensation G015 stud. Halsey was the 2020 JNHE Grand Champion Bred and Owned female and is one beautiful young donor female that will be heavily incorporated in the future at GKB. K153 possesses an incredible look and style with a who's who pedigree in a highly productive maternally made package. This is an investment opportunity for an incredible Halsey daughter that will only get better with age.

• P.E. to CRR 41E Hoss 016 from 8/20/23 to 11/25/23. Observed bred on 8/25/23.

• **HOMOZYGOUS POLLED**

- K111 is without a doubt one of the most intriguing spring bred heifers in the sale. She is sired by the Homozygous polled AI sire Makers Mark that excels at calving ease. Her dam, Loewen DMF Rita B42 G21, is a flush mate sister to the famed Genesis G16. She was our pick of the three full sisters that were the Grand Champion Pen of Three Females at the 2020 National Western Stock Show because of her added style and eye-appeal.
- Individually, K111 is short marked and dark red with pigment. Easy fleshing and phenotypically pleasing with extra length and extension, she is long, and level hipped with great muscle shape. This angular female also has tremendous rib shape and will have a beautiful udder.
- Ranks in the top 3% for TEAT, top 4% for CHB, top 5% CW, and top 10% for SC, UDDR, REA, BMI and BII.
- P.E. from 4/11/23 to 9/4/23 to CRR 41E Hoss 016. Ultrasound safe, carrying a bull calf with an estimated due date of 3/3/24.

DAM OF LOT 32

• Check out the data set on this ultra-attractive, conservatively marked, and red-eyed female sired by the D594 bull from Knoll Crest Farms. She is the first calf out of a young donor, BR Gabriella 0142, who was shown successfully by Aidyn Barber winning Reserve Grand Champion Horned Female at the 2022 Cattlemen's Congress and Fort Worth Stock Show and Rodeo. Her dam traces back to two influential females from the Barber Ranch: Belle 4082 and Gabrielle 5082. It is difficult to find females with this much quality and style that offers the kind of proven pedigree and numerical profile as 2157.

• Ranks in the top 2% for BII, top 3% for MARB, top 4% for WW and BMI, top 5% for YW, SCF, and CHB, top 6% MG.

• A.I. bred on 5/20/23 to Green JCS Makers Mark 229G ET. P.E. 6/26/23 to 7/31/23 to BR Encore 0143. Ultrasound safe to A.I. carrying a bull calf with an estimated due date of 2/26/24.

• J114 is an unbelievably powerful and wide-bodied beast with extraordinary style and presence. Just study this female's length of hip, levelness of top, depth of rib, sound structure, and extension through her front one-third. This JCS Royal Blend daughter is out of our Brielle 1105 donor that is a full sister in blood to BR Nitro Aventus. 1105 is also a maternal sister to BR Hutton 4030. There is power in the blood of this young donor prospect, and she is one that is worth the trip to Desdemona to see for yourself.

• P.E. from 5/12/23 to 7/16/23 to GKB Advance 2282Z 9903. Confirmed bred carrying a bull calf with an estimated due date of 3/13/24.

• We kick off the fall calving pair division with this absolutely stunning Belle Air 8123 first calf heifer that is destined for the donor pen. Brooklyn 1803 is a short-marked female with style, balance, eye appeal and comes equipped with a picture-perfect udder. I'd be remiss if I failed to mention that she is out of an incredible first calf heifer that is a Belle Air 6011 daughter that traces back to Madelynn 8017 that was an incredible female who raised many great ones. She was shown successfully by our Hereford Manager, Jay Creamer's son Grady, this past show season and is the reigning 2023 Fort Worth Stock Show Grand Champion Horned Female. Females of this caliber are hard to create and even harder to part with.

• P.E. from 11/4/23 to 12/2/23 to EKS DWK B26 Final Chapter J10.

**OFFERING**

BR GKB Winchester 1314 was crowned the Grand Champion Horned Bull at the 2023 Cattlemen's Congress, 2023 National Western Stock Show and the 2023 Fort Worth Stock Show. A very popular champion as he is powerful in his design, loaded with true muscle, has balance with eye-appeal, short marked and so sound at the ground with all four feet pointing the right direction. Winchester is destined to be a great breeding bull with his build and genetic make-up.

We wanted to bring our best as we are offering his donor dam E117 that will sell as Lot 101 who is a direct daughter of the ever-popular Champion herself BR Anastasia 3023 ET. Her full sister, G012 will sell as Lot 102.

**BR ANASTASIA E114 ET**

- This is an incredible opportunity to purchase a one-half embryo interest in a proven, direct daughter of BR Anastasia 3023 ET. The Anastasia bloodline is as good as we've raised at Barber Ranch and her daughters have captured numerous National Grand Champion honors.
- Four polled flush mates to E117 sold as fall calves in Barber's 2018 sale and two of them went on to claim Grand Champion Bred & Owned honors at JNHE, one as a calf and another the following year as a senior yearling.
- E117 is a bigger, stouter cow with extra style that breeds exactly like you would expect. She's also the dam of Winchester, the reigning Grand Champion Horned Hereford Bull at Cattlemen's Congress, Denver, and Fort Worth. Whether you're wanting to raise stout, great uddered, great looking cattle for the pasture or cattle that can compete at the highest level on the national stage, this is your cow.
- Tag 3277: Bull calf born 10/6/23 sired by BR Genesis 1202. For display only.

- A younger, polled full sister to E117 (dam of Winchester) E114, and E109. G012 is going to be the next Catapult x Anastasia daughter to leave her mark on the Hereford breed. She is unique because you rarely see females built with her amount of stoutness and bone and still have as great of an udder as she has. Tremendous bone, body, and look rolled together in one package. We also love her dark cherry red color and ring eyes. We whole heartedly believe that G012 is going to be one of our next big-time donors, which is why we are retaining a 1/2 embryo interest in this female and full possession.
- Tag 3294: Bull calf born 10/12/23 sired by BR Endure H055 ET. For display only.

 DAM OF LOTS 103-105

• This is easily one of our top females in this sale. H025 is a great young donor cow that is sired by Belle Air, the two-time National Western Stock Show Supreme Grand Champion and her dam is Amber 6089 who was the 2018 National Western Stock Show Grand Champion Polled Female. She's stout made, great looking, and flawless in her structure. H025 is short-marked with a red-eye and fantastic udder and has one of the top heifer calves in the sale on her side, sired by GKB Everest H088 ET. Adding Anastasia into her calf's immediate pedigree gives her 3 NWSS Grand Champions. H025 is a donor female that will add marbling, fertility, and eye appeal.

• Ranks in the top 2% for SC, top 5% for MARB and top 10% for CHB.

**BR NALA H040**  
DAUGHTER OF LOT 107

• Amy Rielle, or “Split” as we call her, was the last Sooner x Gabrielle daughter ever born. Without question the Sooner x Gabrielle bloodline was the most dominant bloodline BR ever produced. It would start with 8052 (Dam of Belle) and 8130 (Dam of Anastasia and countless others). Split was Grand Champion at JNHE in the bred and owned show as both a fall calf and the next year as a senior yearling. She’s been a great producer and is the dam of Amelia, one of our main donors, and Nala who won the Texas State Hereford show a couple years ago, along with many others. GKB raised a Ringo son out of a daughter of her as well that you will be hearing a ton about in the near future. The only reason Split is being offered in this sale at 8 years of age is because we have that Sooner x Gabrielle bloodline in just about every pedigree we have. She may be 8 but she’s so big, stout, and great made that you can’t tell it. This proven donor cow can get you in the backdrop instantly.

• 1368 is one stout made, good looking female that is short marked with pigment. The Belle Air X Gabrielle cross is potent and here is the proof. The dam of 1368 is one of the most fertile and consistent producers we have ever seen. She had her first calf in April at 23 months of age and has consistently moved up each year for the past nine years until she started calving in December. With the beautiful look, powerful build, and consistent cow family behind 1368, I'd venture to say she ends up in the donor pen sooner rather than later.

• Ranks in the top 1% for SC, top 2% for SCF, BMI and BII, top 6% for UDDR, top 7% for MARB, top 9% for BW and TEAT.

• P.E. from 5/2/23 to 8/6/23 to BR Blueprint 1311. Confirmed safe.

- C CJC Belle Air Lass 8037 ET, the dam of Guardian, is one of the elite donors ever produced in the Colyer Hereford program. She was the feature donor in their production sale this fall commanding \$70,000. In the sale this fall two spring of 2023 ET open heifers sired by Makers Mark commanded \$62,500 and \$60,000 respectively. In the fall of 2022 female sale, a full sister to Guardian commanded \$45,000.
- 8037 is built right from the ground up with added performance, maternal strength and carcass merit excellence. She herself posted an individual performance ratio of 152 for IMF and 3 progeny have posted an average IMF ratio of 118.
- Truly one of the elite donors in the Hereford breed today that has produced several top sellers to multiple sires. A proven pedigree with a proven track record this is a no miss flush.
- Owned with Colyer Herefords and Express Ranches.

**RST FINAL PRINT 0016**  
 SON OF 8032

**RST MS 504C CUDA 1150**  
 DAUGHTER OF 8032

• 8032 is the donor dam of the ever-popular RST Final Print 0016. Final Print was her first natural calf and her second natural calf is a donor female sired by Cuda that is working for the Loewen Hereford and Candy Meadows Farm programs.

• 8032 and was the Lot 1 feature donor as well as her progeny in the Delaney/Atkins Genetic Opportunity held this past fall. A JDH AH Lincoln 106H ET daughter commanded \$15,000 for 1/2 interest and another daughter sired by JDH AH Benton 8F ET commanded \$10,000.

• When you search the AHA database among parent dams she is one of only two in the entire breed with her combination of BW, YW, Milk and Marbling.

• Unique opportunity to acquire a flush out of 8032 the dam of Final Print.

• Owned with Express Ranches.

**TERMS OF LOT 202 DONOR FLUSH**

- Seller guarantees six transferable embryos, with all embryos produced in the flush going to the buyer.
- This will be an IVF flush that will be conducted at either TransOva in Texas or Hoofstock Genetics a Vytelle satellite.
- Buyer will be responsible for supplying semen and for all cost associated with the flush.
- Buyer will be guaranteed two 90-day pregnancies if transferred by a certified embryologist.

**LOT 203 DONOR C CJC VALERIE BELLE 1101 ET**

- C CJC Valerie Belle 1101 ET is one of the most impressive Validated daughters I have seen to date. She is loaded with eye-appeal and equipped with added muscle and power. Her donor dam, 8140, is a flush mate sister to 8037 the dam of Guardian and a full sib to Belle Heir.
- 1101 was a feature bred heifer in the Colyer Herefords Fall 2022 Production Sale.
- She is the only bull or female in the AHA database when you run her minimum EPD's for BW, YW, REA, Marbling and CHB. 1101 posted impressive individual performance ratios of 179 for IMF and 119 for REA.

**TERMS OF LOT 203 DONOR FLUSH**

- 1101 will calve the first of April and will be ready to IVF the first of May.
- Seller guarantees six transferable embryos, with all embryos produced in the flush going to the buyer.
- This will be an IVF flush that will be conducted at either TransOva in Texas or Hoofstock Genetics a Vytelle satellite.
- Buyer will be responsible for supplying semen and for all cost associated with the flush.
- Buyer will be guaranteed two 90-day pregnancies if transferred by a certified embryologist.

• GKB Conair K102 ET was the very popular Spring Calf Division Champion at the 2023 Cattlemen's Congress, National Western and Fort Worth. Dark red, short-marked, freckle-faced son of the immortal BR Belle Air 6011. Impressive on the profile with added hip, top and style. Loaded with power from every angle and so sound at the ground makes Conair a unique individual.

• Conair's donor dam, 8688, is a tremendous young donor in the program that was campaigned successfully capturing Grand Champion Female at the 2020 National Western Junior Show and Grand Champion Female at the 2020 Fort Worth Stock Show for GKB Cattle and Denver McKay. Her donor dam JCS Tater Tot was the Grand Champion Horned Female at the 2015 National Western Stock Show.

- Semen will only be sold at select auctions.
- Owned with Copeland & Sons LLC. and Eric Rosson.
- Certificates will be \$75

• Everest is a herd bull we are very excited about as he has a tremendous build and design and stems from the renowned Anastasia. Everest is a full sib to Lot 101 the dam of Winchester and Lot 2, G012. Everest is the first son of Anastasia we have promoted and offered semen on. He offers the perfect blend of elite show ring genetics and real-world cattle. His full sib sisters have picture perfect udders with heavy milk flow. Study the heifer calf on the side of H025 that sells as lot 103 & 103A. Sired by Everest she may be one of the best built Hereford heifers we have produced to date.

• We will not be offering BR Everest semen again until the Fall of 2024.

• Owned by Barber Ranch and GKB Cattle.

• Certificates will be \$100.
